## National Registration

All **PARTICIPITANTS** in the sport are asked to please register for 2011 by completing and following the information contained in the attached 2011 National Registration Form.

All **PARTICIPITANTS** includes all skaters, judges, coaches, technical officials and volunteers.

If you have paid the \$66 Aussie Skate registration fee on or after 1 October 2010 then that fee includes your ISA 2011 National Registration Fee, so you do not need to register for the 2011 year.

If you are a current financial member (paid up for 2011) of Ice Skating Queensland or the South Australian Ice Skating Association then your 2011 National Registration has already been paid by your State body. All other **PARTICIPITANTS** are required to register and pay their \$25 registration fee.

The National Registration fee is due at 1 January each year.

Once ISA receives your completed form and payment, you will receive a confirmation email from ISA.

The online registration system is still under development and we are confident it will be released in the near future.

Your State secretary will be able to receive up to date lists of paid registrations from ISA as needed.

Thank you for your co operation and understanding.

Further copies of the form may be downloaded from the ISA web site:
