Up Coming Tests

Tests are filling up fast again this year. If you are looking at doing your test this year please remember until you have confirmation from our test officer Helen Steller about your test you have NO guarantee of date.

The system is run via NSWISA not HISC. Our test officer can only put the applications received in for upcoming dates. If you have confirmation of a test date and cancel that date you DO NOT automatically go on the next month test list. You will have to apply again and wait for the next available date which may be several months away.

Fundraising

Yes we are selling chocolates again this year. Please see Marg Addy at the Skate School corner to collect your box (or two) to sell.

There are several other fundraising events on the drawing board including a skate-a-thon, bus trip and raffles for Mothers Day.

If anyone has any fundraising ideas, please let Marg know.

Hunter Club Jackets

An order for HISC jackets will be placed soon. Please see the Skate School table on Wednesday afternoon and Saturday morning to place your order and sizing. If this is not convenient, please email: jacquelin.card@exemail.com.au Jackets cost \$50. Orders will be finalised by 30th April 2010, so please get your orders in NOW!

Arm Bands

Please remember to wear your arm band when skating your program with music in figure skating sessions. If you are practicing your program without your music playing, you do not have to wear an arm band.

See Jaci Card if you have not received your "free" arm band yet.

2010 Membership Card

Cards are now available for collection from the Skate School Table or see Jaci Card.
