

Ice Reflections Uniform Policy - Males

Uniforms cost \$150 per skater, which includes:

- Skating Pants in team colours (this remains property of Ice Reflections)
- A Black Fleece vest with zip pockets and embroidered logo
- Shirt

The vest will be embroidered with the skater's first name centred under the team logo, in **Electric blue** thread, **font Arial** and font **size 2cm**. The vest will also be embroidered with team insignia.

The skating pants and shirt will remain the property of The Ice Reflections team. If a skater decides to leave the team, they must return the Shirt and Pants (and will receive \$20 back, provided the condition is good with only normal wear and tear. The vest and tights are yours to keep.

Care of your Uniform:

Please put your name on all items of the uniform so that they are not mixed up at competitions and if lost, can be returned to you.

Wash the Pants and Shirt separately the first time it is washed and wash after each skating session in the normal cycle of your machine. Hang out of direct sunlight, or inside out to reduce fading.

Please repair any damage as soon as possible to ensure your Uniform remain looking good.

As much of the Uniform remains the property of the team, Skaters are **not permitted** to wear their Pants or Shirt during other skating sessions. (Unless it is immediately before or after practice or required in another event at a competition). Vests can be worn at any time, but skaters will be required to replace them at their own cost if damaged or lost.
