

Hi All,

I am back from Singapore and had a fantastic time.

Brad and Kelly are having a great time with shows everyday three times a day. The crowds love them and I have it all on tape.

Brad and Kelly do a pair to Moon River which the theme is Moon River on the River at Christmas and they did a fabulous job, Brad even picked Kelly up, it was very entertaining.

Kelly did a solo which was fabulous she looked great especially her long eye lashes. Then Brad did a Solo to Crazy Little thing called love and he also did a fabulous job then they did a group one which was fabulous and the costumes looked great.

Hope they will do a show for everyone when they return. Hope to see you all very soon and give our love to George and everyone and have a very merry Christmas and a happy new year.

Love Jenny
